PROFILE SUMMARY

- Full Stack Developer with **10 years of experience** delivering enterprise web applications across **Banking, Finance, Healthcare, Construction, CRM, ERP, Poll Management, Invoice Management, Public Utilities,** and **Office Administration**.
- Currently serving as **Assistant Consultant (Grade C3A) at Tata Consultancy Services, Bahrain**, deployed on-site at **Investcorp Bank** — driving digital transformation initiatives for one of the region's leading alternative investment firms.
- Strong backend proficiency in **Microsoft .NET technologies** with hands-on cloud experience on **Microsoft Azure** — including web app deployment, CI/CD pipelines via **Azure DevOps**, and Git-based source control. Holds the **Azure Developer Associate (AZ-204)** certification.
- Solid frontend capability with primary focus on **Angular & TypeScript** and secondary experience in **MERN stack** across multiple client projects.
- Expanding into **Data Science & AI** — certified by the **Boston Institute of Analytics (2026)**, with applied experience in machine learning and building AI-powered applications using modern LLM tools.
- Experienced in creating and deploying **Power BI dashboards** for business intelligence and executive reporting.
- **Onsite at Investcorp Bank, Bahrain** (Jul 2022 – Present) and previously at **Makati Development Corporation, Philippines** (2018–2019) — bringing over **8 years of direct global client engagement**.
